Our instructors/camp staff will communicate the importance of following these procedures as we seek to protect others:

- Each participant's temperature will be taken daily upon arrival.
 - If temperature exceeds 99.9, the participant must leave immediately.
 - Participants are allowed to temperature check-up to 3 times waiting 2-3 minutes in between each screening if they feel an elevated temperature may be secondary to environmental issues such as just having come from a hot car or having had a hot beverage etc.
 - If the participant fails temperature check 3 times, they will be denied entry.
 - ***The participant can return if all of the following conditions are met:***
 - Fever free for 24 hours (without fever reducing medication)
 - Fever free upon re-entry when screened by camp staff
