

Important Field Trip Planning Information for DFT Events

One free teacher's ticket is issued per class, except for K-2nd grade and SPED classes which are issued two if both the teacher and assistant attend. Please call the office if you have a situation you believe warrants special accommodation. DFT will make every effort to assist you. Homeschooled groups and interest-based school groups/clubs are given one free ticket per 25 students in attendance. All other school matinee seats are \$7.00 per person.

Please notify the DFT office when scheduling if you will have an attendee in a wheelchair or with other special seating needs. This will help us when preparing our seating chart.

Due to the significantly reduced group ticket rate we are unable to take calls directly from parents/guardians requesting school matinee reservations. Parents/Guardians may purchase tickets through your class or may select a parent representative to organize the trip. Seating will be based on availability at the time of booking.

Since our primary objective is to ensure students have an enjoyable and educational experience, please inform all adults planning to attend that they will be asked to sit on the ends of each row to ensure children are able to view the performance with minimal obstruction. Groups with an unusually large percentage of adults in attendance may be seated to the rear of the theater at the discretion of DFT staff.

You will receive a letter within two weeks of booking confirming your scheduled date and number of attendees. Payment in full is due three weeks prior to your scheduled performance time and guarantees your reservation. Because we hold these seats for your group and do not sell them to others, we cannot issue refunds.

When student groups run late, we are unable to delay beginning the performance due to bus schedules. Therefore, all shows start promptly at the time listed. Please arrive at least 15 minutes prior to performance time for seating. Groups of 60 or more should allow additional time. Large groups will be given an arrival time of up to 30 minutes prior to performance time in their confirmation letter.

All performances will be at Landers Center Theater at 4560 Venture Drive in Southaven, Mississippi.
